# You

- Have you been given wrong promises concerning your work, your income or working conditions to encourage you to come to Germany?
- Have your documents (passport etc.) been taken from you?
- Do you have to pay pack debts for your journey to Germany or for your documents?
- Are you forced to work without payment or do you have to give your income to somebody else?
- Have you been beaten, controlled, humiliated, raped or threatened?

If you just have experienced one of these or similar situations call or write us.
